Elk Hunt

VALLES CALDERA
NATIONAL PRESERVE

*An experiment in public
land management...*

A UNIQUE EXPERIENCE

The Valles Caldera National Preserve (VCNP), Unit 6B, is one of New Mexico's premier elk hunting locations and quite possibly the best place in the U.S. to harvest a trophy bull on public land. An abundant elk herd occupies the 89,000 acre Preserve much of the year for breeding, calving and foraging. Our hunts are designed to offer a private land experience on public land.

SOLITUDE BY DESIGN

At the mandatory orientation session, you will draw a specific area of the Preserve for your hunt. There will be time to scout the Preserve before the hunt begins. Prime locations are abundant and we've eliminated the stress of competing with other hunters. You'll share your 3,000-6,000 acre area with a limited number of hunters.

TWO CHANCES TO HUNT IN NEW MEXICO

You may enter both the NMDGF public draw as well as the VCNP (Unit 6B) lottery. The VCNP Lottery will be conducted first and applicants selected to hunt the VCNP will be removed from the NMDGF public elk drawing.

DIRECT ENTRIES

Once you have your NMDGF Customer ID Number, there are three ways to apply for this year's lottery.

- Apply online at www.vallescaldera.gov/comevisit/elk
- Apply over the phone by calling 1-866-382-5537
- Apply by mail with the VCNP lottery ticket form
