Valles Caldera National Preserve

Mission of the Valles Caldera Trust

“...is to create a successful model of public land management that protects and preserves the Valles Caldera National Preserve’s unique values. Towards that end we will operate the Preserve as a working ranch; strive to become financially self-sustaining; meet the varied needs of visitors; strive to utilize and steward the multiple resources of the Preserve; and work collaboratively with our neighbors.”

Adopted by the Valles Caldera Trust Board of Trustees at the October 22, 2004 public meeting
