

VALLES CALDERA NATIONAL PRESERVE

2010 Teacher Trainings

Stream Ecology Teacher Training

This training will provide educators with a greater base knowledge of water, through field observation, experiments, data collection, lectures, lab work and curriculum development. Participants will visit several sites on the Preserve and learn how to read the landscape to conduct stream restoration.

When: Monday July 26th @ 9am - Wednesday July 29th 5pm

Course cost: \$260. (includes food and 2 nights lodging)

Registration closed for 2010 class

Botany Teacher Training

This training will provide educators with a whole new understanding of plants, from the basic structure, reproduction to ecology, fire and human uses. With a combination of classroom and field work participants will gain plant identification skills, sampling techniques, herbarium specimen preparations and much more.

When Monday August 9th @ 9am – Wednesday August 11th 5pm

Course cost: \$260. (includes food and 2 nights lodging)

Registration still open contact us NOW!

Geology Teacher Training

Join us at the Valles Caldera National Preserve for three days of geology and Volcanism. Explore the Valles Caldera and the surrounding area as you learn about the history of the land, the basic geology and scientific skills that can be brought back to your classroom.

When: Monday June 20th @ 9am - Wednesday June 22nd 5pm 2011

Course cost: \$260. (includes food and 2 nights lodging)

Wildlife Ecology Teacher Training

Join us to gain interdisciplinary knowledge regarding wildlife on the Valles Caldera National Preserve in a variety of focus areas from biology, and ecology to management. This course provides opportunities to learn in the field and lab, where individuals will use equipment and methods to research and manage wildlife.

When: Monday June 27th @ 9am - Wednesday June 29th 5pm 2011

Course cost: \$260. (includes food and 2 nights lodging)

Food and lodging are included in the cost of the training and is at the Science Education Center in Jemez Springs.

Credit can be received through the Institute of Professional Development through the College of Education at UNM.
